

ICoTA

WEEK

Virtual Events
17–19 November 2020
1300–1500 GMT

Technical Programme

The themes for ICoTA Week are as follows:

Day 1

A collaborative Approach to Maximising Economic Recovery in Times of Change within the Energy Sector

Day 2

Cost Efficiency or Cost Certainty – Commercial, Technical and Strategic Considerations to Enable Interventions

Day 3

Well Integrity – HSE Insights, Investigations and Inspections

What to Expect at ICoTA Week:

- Three senior keynote industry speakers and an update from the Regulator
- A series of intervention and well integrity case studies from senior representatives of operators and major service companies
- A dedicated well integrity session
- Daily interactive panel Q&A session
- A Techbyte session featuring new technology supported by the Oil and Gas Technology Centre
- Announcement of the prestigious ICoTA Award for Innovation & Technology Winner

Attendance is free of charge and you can find out more information including how to book your place at www.icota-europe.com/events or by emailing icota@mearns-gill.com

Day 1 - Tuesday 17th November

A collaborative Approach to Maximising Economic Recovery in Times of Change within the Energy Sector

Session Chairs – Chetna Sapru, Total and Bronson Larkins, Wellvenc

1300	Welcome and introduction	Bronson Larkins, ICoTA Week Chairman
1305	Change in the Energy Sector: Drivers and Realignment, with Implications for the North Sea	Alan Dick, Director Energy & Industry
1325	High Pressure, High Temperature (HP/HT) Intervention on a Normally Unmanned Central North Sea (CNS) Platform: Maximizing Well Performance by Collaboration (Schlumberger/Chrysaor)	Haroon Bawja, Account Manager, Schlumberger
1345	Collaborative Approach to Well Intervention Allows Installation of Four Heavy Weight Velocity String without Issue and Restores Production to Previously Shut In Wells	Andrew Moffat, UK Operations Manager, Weatherford
1405	MER UK Wells Task Force – Overview of the Wells Task Force and What Each Five Work Groups is Aiming to Deliver in Response to Low Well Activity Levels and the Requirement to Improve Performance Across the Whole Wells Cycle	Brenda Wyllie, Northern North Sea & West of Shetland Area Manager, Oil and Gas Authority
1425	Panel Q&A Session	
1500	Close	

Day 2 - Wednesday 18th November

Cost Efficiency or Cost Certainty – Commercial, Technical and Strategic Considerations to Enable Interventions

Session Chairs – Grant Veitch, Interwell and Michael Taggart, ICoTA Secretary

1300	Welcome and Introduction	
1305	Cost Efficiency or Cost Certainty in Well Operations	Alan Quirke, Head of Wells, Repsol
1325	Realtime Coiled Tubing and Integrated System Modelling Enables Reverse CleanOut of Challenging Sub-Hydro-Static Multi-Stage Proppant Fractured Well (BP/Altus Intervention)	Graeme Mari-Allan, Wells Engineer, BP
1345	Optimizing New Well Delivery Using Real-time DH measurements (AkerBP/Schlumberger)	Johnny Bårdsen, Assistant Intervention Superintendent, AkerBP
1405	Deployment of Thru-Tubing Screens with Coiled Tubing Catenary, Offshore Borneo	Yee Tzen Yong, Senior Technical Professional, Halliburton
1425	Panel Q&A Session	
1500	Close	

Day 3 - Thursday 19th November

Well Integrity – HSE Insights, Investigations and Inspections

Session Chairs – Elizabeth Muir, Shell and Darren Paul, Shell

1300	Welcome and Introduction	
1305	HSE Regulatory Insights – Recent findings from Incident Investigations and Regulatory Inspections Related to Well Integrity.	Graham Skinner, HM Inspector of Health and Safety, Health & Safety Executive
1325	Annulus Management on Platform Wells	Richard Conway, Well Integrity Team Lead, Repsol
1345	When Can Perforating, Wash and Cement (PWC) be Considered Suitable for Annulus Barrier Remediation?	Tom Leeson, Chief Commercial Officer, Hydrawell
1405	Techbyte Session	
	New Technology That Solves Sustained Casing Pressure	Paddy Collins, CTO, Aubin
	Alternative Materials for Remedial Well Integrity Reinstatement	Iain Lees, Founder & CEO, Resolute Energy
1415	Panel Q&A Session	
1445	Announcement of ICoTA Award for Innovation & Technology Winner and Closing Remarks	Darren Paul, Senior Chair, ICoTA Europe
